

Winery Elopements @ Hans Fahden Vineyards

Rev. Blane Ellsworth and Antone Fahden have joined forces in designing elegant and distinctive elopement packages for those interested in exchanging their vows in the splendor of the Napa Valley. Their elopement packages cover all of the details of the wedding ceremony, so that the bride and groom can focus on their special day.

Enchanting Elopement's regular wedding packages take place Monday through Thursday, year round, at the Hans Fahden Vineyards in Calistoga. Depending upon availability, elopements and intimate weddings may also be booked on Friday, Saturday or Sunday from November through March.

Our packages range from bride and groom alone, to scenarios with up to 35 guests. Packages include exclusive use of the romantic, picturesque Hans Fahden Winery and the following:
