

NOMAGIRLS BIO

Hi! So if you are reading this bio, you are already intrigued by us and wonder where we are coming from.

We call ourselves NOMAGIRLS because we grew up in SONOMA as a tightknit group of girls and most of us have stayed pretty close to home. Sonoma is a beautiful place to visit and an awesome place to live.

Meet the NOMAGIRLS involved in NomaGirl Events.

We keep our costs comparable by using local women:

Sasha Ehrenberg grew up in Marin and Glen Ellen. Sasha trained in LA and is a well known hairstylist in Mill Valley at Taylor Craft Salon. She is a Colorist, Stylist and is at the forefront in Newer and up to date Fashions.

Sarah Ashton is from the small town of Kenwood and is a MAC makeup artist, esthetician, Massuese and in my opinion quite a healer as well.

Sally Wakelee is My mother! She has been sewing since high school and makes the custom dresses and ring pillows. She can also deal with any last minute sewing needs. (she can design any wedding dress you find if it fits close to any pattern!)

Yvonna Robinson is From Sonoma and does on-site Manicures and Pedicures. She is very fun and can make any wedding jitters disappear in a heart-beat!

We all work together seamlessly to get the job done in a relaxed and chill atmosphere. There will be no stress on your day!

I am Emmy and I am the Owner of NOMAGIRL EVENTS! I am 31 years old, happily married in July 07 and would love to help you on your Wedding day.

I also own a restaurant called Emmy's Spaghetti Shack in San Francisco, a very popular and one of a kind mission Landmark. I created "The Shack" 7 years ago (while Pregnant!) to show people that you don't need to go overboard to have an awesome meal and a great time. I intentionally have shyed away from my formal training as a fine dining Manager and Waitress to create the concept of having fun while you are eating (imagine that!). The food is fresh and delicious. I bring my experience to Planning Events and Weddings. I also Dj in my spare time and have a lot of friends from the city who love to do my weddings! This day is supposed to be about YOU!! Do you want to have a good time and get married?

I moved back to Sonoma in 2004 to escape from the busy lifestyle of the city and get back to my roots.

I feel that this is a personal and fun time for you AND your spouse-to-be.

I just really want to get to know you and allow you to do what you really want...not what you are supposed to do! There are so many options.

If you want to do super fancy over the top outrageous....LETs go for it!!!

If you want to chill out in a Barn and have cocktails and danceI can make it happen for you!

Call me anytime!

Love Emmy

p.s..I know a lot about food and wine, so you have nothing to worry about in that department!
