

Fleurs de France

*Wedding Florist and Event Design
Sonoma & Napa Wine Country*

Services...

Fleurs de France is a full service wedding and event floral studio, serving Sonoma County, Napa County, The Northern California Wine Country. We do not do any retail, so we can concentrate exclusively on your wedding or event.

I also specialize in Destination Weddings, so I am very familiar and extremely comfortable working with couples who are out of state or out of the country.

I can help arrange everything for your wedding or event by phone, and email.

Fleurs de France is a preferred vendor of many Sonoma and Napa venues, they know us and our work very well, and we all work together to put together your dream day and make sure everything is perfect and seamless.

I offer you my experience to create the look & feeling you desire, and will also give you tips on what works well at your venue.

I can coordinate any rentals such as linens, chairs, draping, lighting, etc, if you do not have a wedding coordinator or the venue itself does not provide this service.

We have a large inventory of props and rental items available in our studio.
