Thank you's...

Dearest Jessica,

Thank you so much for making our dreams a reality. My Mom was absolutely WOWED. We're off to our honeymoon, but I just wanted to send you a couple of pictures from the wedding with your BEAUTIFUL flowers.

And also, a BIG thank you to your daughter. Her beautiful gesture was so appreciated... the flower was so special.

Thank you,
Shaudi & Sean

Hi, Jessica!

First and foremost we want to thank you for the gorgeous work you did at our wedding. The fact that you went above and beyond to find the lady's slipper orchid was an incredible and memorable surprise. It made Stephanie and me cry. The individual looks that you created for each part of the setting were absolutely fantastic. The bright arrangements on the back patio were awesome and far better than anything we had imagined, the dinner tables were contemporary yet romantic, the cake was simple and tasteful, the welcome table was whimsical and perfect...it was all amazing. All of this does not include how grateful we are for the wonderful rehearsal dinner arrangements. They were fun and flawless and the colors were beautiful. Rob and I brought the succulent cuttings home and have replanted them on our back patio. Such a nice memory!

We feel so lucky to have worked with you not only for your incredible talent, but for your wonderful and caring bedside manner. Thank you again and again!!

Best,
Cynthia and Robert

Hi Jessica

Just a quick note to say how much we loved your flowers at Jennifer and Dylan's wedding on Saturday. They were glorious--everything Jen imagined they would be--and more. My husband and I especially loved the chuppah (thank your husband for his excellent work!)--simple elegance. The bouquets at the corners were beautiful touches of bright color in contrast to the backdrop of green vineyards. The greenery trailing down the posts and blowing slightly in the breeze was lovely. The planted containers both supported the uprights and finished them in a soft and natural way. The rest--centerpieces, bouquets, boutonnieres--all just perfect. Jen loved your work from the instant she saw your portfolio. And had complete confidence when you met that you understood what she hoped her wedding flowers would be. She was right in every respect.

Thanks again.

Best,

Jane

Jessica,

We got back from Maui last night, but I have been looking forward to writing this note for several days. Our wedding flowers were beyond amazing...I was actually left speechless by all that you did. Your talent and efforts were obvious and both Matt and I could not have been happier with the results. You took my vision and turned it into more than I could have imagined. While I loved everything, I was especially enamored by my bouquet and the orchid garlands off the chandelier. Pure genius.

So, thank you very much. I can't wait to see the pro pics and will be sure to send a few your way!
