

Charlotte Wolter is Napa Valley's most popular harpist. With a vast repertoire and great enthusiasm for her music and her fellow musicians, she offers a marvelous experience to those who choose her services.

An honors graduate from the University of Minnesota, Charlotte studied harp at the McPhail School of Music and was coached by John Escosa.

Weddings, dinner parties, winery events and corporate gatherings are Charlotte's forte. She performs as a soloist and with her three duos, three Glissando! Trios and her Glissando! Quartet.

Charlotte's favorite memory, thus far, is of playing for Brother Timothy Day and Diane Feinstein who were officiating a wedding in San Francisco, followed by a performance for a Hell's Angel's baby shower in a pool hall. Charlotte has done everything from accompanying a 200-voice choir to plucking heroically for a garage sale.
