### *The Eloquence Quartet*

Our most popular group, the Eloquence Quartet, performs all of the standard string quartet literature as well as standard wedding repertoire, European salon music, tangos, standards, operatic favorites, Broadway musical medleys, holiday sets and popular classical melodies from the baroque through romantic periods. The quartet has a lush, full sound ideal for outdoor settings, wine caves, restaurants, churches, hotels and resorts, and many other venues. We offer everything from elegant and unobtrusive background music to more animated, lively music for receptions and open houses. Whatever your entertainment needs, group leader Peggy Brady will see to it that the sets are perfectly tailored to match the style and tone of your event.

Variations on our standard ensemble of two violins, viola and cello include adding solo trumpet, or substituting one of our violinists for either a flutist or oboist to add a unique tone color to the ensemble.

### *The Eloquence Duo*

The Eloquence Duo is excellent for events where a compact ensemble is needed or where the event demands a more delicate sound. The duo performs a wide range of baroque, classical and romantic literature, wedding standards, operatic medleys and popular classical melodies.

The standard duo is violin/cello, but other duos include two violins, violin/viola or flute/violin.

### *The Eloquence Trio*

The Eloquence Trio performs much of the same repertoire as our quartet... all of the standard wedding literature, operatic favorites, holiday sets and popular classical melodies, but with special emphasis on baroque repertoire. Baroque trios were a popular combination throughout the 1700's and much of the European royalty played triosonatas as entertainment, thus accounting for the vast repertoire for this combination. The Eloquence Trio is particularly well-suited for weddings, outdoor settings where the lively baroque counterpoint carries well and as background music for cocktail receptions and dinners.

Variations on the standard trio of two violins and cello include flute/violin/cello and violin/viola/cello.

### *Eloquence Violin/Harp Combos*

Violinist Peggy Brady joins forces with popular Napa Valley harpist, Charlotte Wolter, to bring you beautiful violin/harp music. This combo boasts a huge repertoire ranging from baroque through contemporary popular music, but specializing in romantic repertoire, French Impressionistic pieces and elegantly arranged pop standards.

Harp combos include violin/harp, violin/cello/harp, flute/violin/harp and flute/violin/cello/harp.

### *Solo Violin or Solo Cello*

Solo violin or cello provides a beautiful backdrop for an intimate dinner with friends, a special wine tasting, for a small wedding or for a holiday church service. Violinist Peggy Brady performs baroque partitas, "Continental" classics, improvisations on favorite classical melodies and standards, as well as Irish/Celtic music. Cellist Gwyneth Davis offers Bach cello partitas, favorite classical/operatic melodies and much more.
