~Aaron and Debbie

“Thank you so much for helping us plan the wedding, and for the wonderful music. Everyone had a great time. You read the crowd perfectly. And with our crazy group that is not easy to do.”

~Pattie and Dennis

“Having you there really made the night special. You played so many of our favorite songs we could have danced until the sun came up. It is so nice to have a D.J who will actually play requests.”

~Don and Rose

“You obviously have a very special ability to read the crowd and play music that will keep them dancing.”

~Lou
