Notable Talent's experience in the entertainment field includes expertise in booking talent for corporate events, weddings and festivals. In business in the Bay Area since 1987, we have a vast array of entertainment available. We work with dance bands as well as classical, jazz, big band, solo artists and walk around talent, such as jugglers, magicians, fortune tellers and mimes.

At Notable Talent we take great pride in having booked the talent for The Mystic Theatre since 1994. This award winning theatre, which features top name touring artists, has been voted Best Nightclub in Sonoma County the past 7 years running.
